

High Capacity Refrigeration System

Maintains 20°F to 25°F (-6.6°C to -3.8°C) cabinet temperature.

GDIM-26NT-HC-TSL01

Integrated LED Lighting

Crisp, bright LED lighting and a full glass door display will promote sales opportunities.

Triple Pane Glass Door Assembly

Anti-fog film adhered to the glass pane to minimize condensation build up on glass for more effective merchandising.

All Natural Refrigerant

Environmentally friendly R290 Hydrocarbon refrigerant has zero (0) ozone depletion potential (ODP), and three (3) global warming potential (GWP).

Superior Design

Interior floor rack and back guard prevents bags of ice from blocking optimal airflow.

Large Capacity Storage

Holds (54) or (117) eight-pound (4kg) bags of ice.
