

## POWDER COATING

*permanent | protective | decorative | colorful*

True can powder coat the interior and exterior of most models in a wide variety of standard and custom colors.

# POWDER COATING

True can powder coat the interior and exterior of most models in a wide variety of standard and custom colors.

T-23G-HC-FGD01 and TDR-48 in Moss Green  
(custom graphics shown)

## Pre-Treatment

True's powder coating process includes a superior metal pretreatment system that maximizes the adhesion of the powder coating to the metal, giving the surface a smooth, more even finish and preventing chipping.

## Low Emissions

True's powder coating system generates almost zero VOC emissions, providing a quality finish without harming the earth's ozone layer.

## Choose Your Color

True currently offers more than 20 different RAL colors for you to choose from. Having multiple color options allows you to create a unique piece of refrigeration equipment to fit your style and design.

## Standard RAL Colors
