

POWDER COATING

PERMANENT | PROTECTIVE | DECORATIVE | COLORFUL

True can powder coat the interior and exterior of most models in a wide variety of standard and custom colors.

POWDER COATING

True can powder coat the interior and exterior of most models in a wide variety of standard and custom colors.

*Countertops and interiors are not powder coated unless specified.
Powder coated surfaces are not open food rated.

T-23G-HC~FGD01 and TDR-48 in Moss Green
(custom graphics shown)

Pre-Treatment

True's powder coating process includes a superior metal pretreatment system that maximizes the adhesion of the powder coating to the metal, giving the surface a smooth, more even finish and preventing chipping.

Low Emissions

True's powder coating system generates almost zero VOC emissions, providing a quality finish without harming the earth's ozone layer.

Choose Your Color

True currently offers more than 20 different RAL colors for you to choose from. Having multiple color options allows you to create a unique piece of refrigeration equipment to fit your style and design.
